

DAVID PREJEAN	§	
VS.	§	CIVIL ACTION NO. 1:14-CV-368
CHARLES A. DANIELS, ET AL.	§	

Plaintiff David Prejean, a former federal prisoner, proceeding *pro se* and *in forma pauperis*, filed this civil rights action pursuant to *Bivens v. Six Unknown Agents of Federal Bureau of Narcotics*, 403 U.S. 388 (1971).

The court has received and considered the Report and Recommendation of United States Magistrate Judge, along with the record and the pleadings. Plaintiff filed objections to the Magistrate Judge's Report and Recommendation.

The court has conducted a *de novo* review of the objections in relation to the pleadings and the applicable law. *See* FED. R. CIV. P. 72(b). After careful consideration, the court concludes the objections are without merit. Plaintiff has not alleged facts that indicate that Gonzalez or Daniels were personally involved in denying him adequate medical treatment, or in violating his rights through implementation of an unconstitutional policy. Conclusory statements and claims that unspecified evidence might exist to support unstated claims are insufficient.

**ORDER**

Accordingly, plaintiff's objections (document no. 47) are **OVERRULED**. The findings of fact and conclusions of law of the Magistrate Judge are correct, and the report of the Magistrate Judge (document no. 42) is **ADOPTED**. Defendants' motion to dismiss (document no. 36) is **GRANTED**. A partial judgment will be entered in this case in accordance with the Magistrate Judge's recommendation.

So **ORDERED** and **SIGNED** this **27** day of **September, 2016**.

A handwritten signature in black ink, appearing to read "Ron Clark", is written above a horizontal line.

Ron Clark, United States District Judge
